

Speaker Bio

As a therapist, business coach, speaker, and author, Cameisha is passionate about helping people prioritize their mental health. Whether you've heard her speak at an event or talked with her during a session, any conversation with Cameisha is intriguing and thought-provoking. Cameisha's extraordinary story of transforming her own life from being an orphaned teen living on public assistance to becoming a successful entrepreneur with a thriving business is the inspiration behind her bold mission to teach others that with God all things are possible. Today, fans across the country admire her mission of teaching people how to build a life they love by shifting their thoughts into alignment with their goals.

Signature Topics

The CEO Clinician

This training provides new clinicians with a framework that helps them not only build a strong foundation for a thriving practice, but to also develop a CEO mindset that will position them for mental freedom and a meaningful career.

Empathy for Anxious Professional Women

This training uses a variety of methods and strategies to help you as an individual or leader to work through anxiety, relationship problems, work-life balance, self care, setting boundaries, and ultimately decrease anxiety.

The Integration of Mental Health in Ministry

This training helps you to understand the different aspects of mental health in ministry settings and how you can be proactive in the lives of the people you care about as well as yourself.
